Reference: CC Docket No. 96-45 and CC Docket No. 02-6

Ms. Dortch:

This will serve to formally submit a Request For Waiver of the filing deadline for submission and completion of a USAC Form 471 for the 2012-2013 filing season as it pertains to the following applicant information:

- **Form 471 Number:** 870236 (Internal Connections);
- **Billed Entity Number:** 16038510;
- **Billed Entity Name (Applicant School):** Bancroft Neuro Health.

The Item 21s associated with this Form 471 were **all filed within the prescribed filing window**. I have attached herein copies of the USAC confirmation of the receipt of the Item 21s that were all submitted within window.

But the consultant, *The FundEd Consulting Group* (ID 16057463), failed to submit the aforementioned Form 471 within window. Essentially, the consultant thought that based on their training, that they could not submit an Item 21 online before the associated Form 471 had already been completed and submitted. Since they were able to submit the Item 21 online, they had assumed that they had already completed and therefore electronically submitted the associated Form 471. Obviously, this was an incorrect assumption based on the facts as we now know them. The Form 471 was immediately submitted and certified electronically on March 26, 2012 (Out Of Window) once the error was made known.

According to a Vangent resource at the E-Rate Technical Resource Center, an Item 21 can be submitted online as long as the associated Form 471 has been completed at least through Block 5, without the Form 471 being submitted as a completed Form 471.

We are hereby requesting a waiver of the deadline so as to allow our client applicant to receive a PIA review of the aforementioned application. We are requesting as their consultant, an opportunity to defend our work product on behalf of the school and attempt to secure these much needed funds as requested.

Please forward all questions or requests for clarification to the contact information cited below my signature line herein.

Thank you in advance for your consideration in this important matter.
